## Training for those working with clients living in clutter or hoarding

This 3 hour training includes

1. Difference between hoarding and squalor
2. Reduce the risk
3. Reduce the amount
4. Case study examples
5. Resources

**Hoarding is often a result of grief and trauma, often starts in childhood or adolescence and gets worse with age.**

**Quick clean-ups deal with the symptoms not the cause, are usually traumatic and can often result in people re-acquiring to fill the spaces again.**

**This training is presented by Tania Reid, from For the Crowded House in Melbourne. After 12 years in the community sector, Tania is now a specialist with years' experience working with people affected by clutter, hoarding and squalor. She has presented at the last 2 National Hoarding and Squalor Conferences in Sydney and is an NDIS approved provider.**
